   (1) Proceedings of the last meeting, dated 24th June 1895.
   (2) Statement of receipts and expenditure for the year 1894-95.
   (3) Government Proceedings No. 24409-18—G. F. 319-92, dated 20th June 1895, stating that expenditure incurred for the purchase of medicines, disinfectants, &c., and other charges of a kindred nature for treating cholera patients or for the prevention of the spread of epidemics should, as a rule, be met from the general savings of the Medical Budget of the year to which the charges pertain.
   (4) Government Proceedings No. 3361-71—L. F. 129-94, dated 7th September 1895, laying down rules for the guidance of the Municipal and Local Fund Boards in regard to the execution of Municipal and Local Fund works.

2. Read Government Proceedings No. 912-6—L. F. 27-93, dated 18th July 1895, directing that the entire cost of maintaining the Hospitals at Kolar, Tumkur and Hassan be met from the Provincial Medical Budget with effect from 1st July 1895.

Resolved that the Government Order read above be recorded with thanks.

3. Read the statement of District Fund Incomplete Works of the Revenue Department of the last year, requiring appropriation to the extent of Rs. 16,797-10-2 during the current official year.

Resolved that the same be approved, and that a Supplemental Budget be submitted to Government for the amount of appropriation required during 1895-96.

4. The Board resolved that Government may be requested to sanction the appointment of a care-taker to each of the buildings noted in the margin on a monthly salary of Rs. 8 and 4, respectively.

Mr. Haji Ismail Sait's Chattram at the Gold Fields.
Musafirkhana at Thadigollu in the Chintamani Taluk.

5. Read Official Memo No. 2088-93—L. F. 60-95, dated 12th August 1895, from the General Secretary, calling for a statement of places requiring dispensaries in the order of their urgency with other particulars, with the President's own opinion as to the necessity of opening such dispensaries.

Resolved that dispensaries may be established in the following order, and that Government may be requested to sanction the same.

(1) Royalpad, (2) Burudagunta, (3) Betmangala.

6. Read Government Proceedings No. 410-17—L. F. 71-94, dated 9th July 1895, requesting the Deputy Commissioners of Districts to state how the cost of lighting Musafirkhanas was hitherto met, and what allowance would the District Fund Board recommend therefor, monthly, for each of such buildings.

Resolved that one rupee per month be sanctioned for each Musafirkhana and District Fund Chattram for the purpose.

7. Read Government Proceedings No. 538-45—L. F. 71-94, dated 11th July 1895, enquiring whether it would be useful to supply sets of cooking vessels to Musafirkhanas in the District.

Resolved that it is necessary to supply each Musafirkhana with the following vessels at a cost of Rs. 35.

Name of the vessel.	*Estimated cost.* Rs.	a.	p.
One handé	11	4	0
One bindigé	5	4	0
One ganju set	11	4	0
Two tambiges	3	12	0
One savatu	1	0	0
One panchapatré	0	8	0
One bandli	1	0	0
One frying-pan	1	0	0
Total	35	0	0

8. Read Government Proceedings Nos. 24004-11—L. F. 187-94 and 24012-3—L. F. 70-94, dated 24th June 1895, calling for certain particulars as regards the Travellers' Bangalos in the District, and enquiring what Bangalos in the District may be closed, and whether one sweeper or caretaker with the Patel's supervision and co-operation will not suffice for the requirements of the travellers likely to halt therein.

Resolved that the Board is not prepared to recommend either the reduction of the existing establishment or the closing of any of the Bangalos and that it is not possible to utilize the services of Patels in all the Bangalos as it is not always that a village is situated close to the Bangalo.

9. Read Government Proceedings No. 23776-84—L. F. 379-92, dated 21st June 1895, requesting the Deputy Commissioners of Districts to submit their opinion in regard to the entertainment of Work Inspectors.

The Board resolved that they were not in favor of entertaining any Special Inspectors to supervise the District and Local Fund works carried out in the several Taluks paying them such large salaries with any travelling allowance as proposed by the Deputy Commissioner of Bangalore in his letter No. 1396, dated 16th May 1895, for the supervision of all such works over a wide area, but that they would propose the appointment, temporarily, of Mestris to each Taluk on a monthly pay of Rs. 10 to Rs. 15, according to the extent of sanctioned works, care being at the same time taken that such charges do not exceed ten per cent of the total outlay on Public Works carried out by the Revenue Department in each Taluk, agreeably to the views expressed by the Chief Engineer in his letter No. 4417, dated 22nd August 1895.

10. Read Executive Engineer's docket No. 317, dated 27th August 1895, forwarding an estimate amounting to Rs. 86 for repairing the dispensary at Mulbagal, and requesting the Board's sanction for the proportionate contribution from the District Funds.

Resolved that the District Fund quota of the cost of the repair of the above dispensary be sanctioned out of Rs. 1,000 provided in the current year's District Fund Budget under the head "IX. Contribution."

11. Read General Secretary's Official Memorandum Nos. 2775—Mis. 385 and 2779—Mis. 388, dated 24th and 27th August 1895, respectively, directing the Board to consider the necessity of opening out certain roads as per margin in the Chintamani and Bagepalli Taluks, respectively.

(1) Kadapa-Bhering Koppal road.	(3) Road from Bagepalli *via* Gullur Guttapalya, Billur and Chakvelu to Chelur.
(2) Road from Mittamari *via* Julpalya to Chelur.	

Resolved that the question be deferred until the next Budget meeting, and that in the meantime the Sub-Division Officer and the General Assistant Commissioner be requested to investigate the project fully and report on the same.

12. Read Government Proceedings No. 12534-44—R. F. 116-92, dated 24th January 1895, requesting Deputy Commissioners to report whether Government topes would be better maintained if they are made over to District Fund Boards.

As the amount of income annually derived by Government from these topes was not easily ascertainable under the existing circumstances, as the same is merged under the general head "Amrayi", the Board resolved that the Amildars and Deputy Amildars be directed to keep a separate account for the current official year of the receipts under the head, *i. e.* (the sale proceeds of the produce in the Government topes), and that the question whether these topes can be made over to District Fund Boards for their management be deferred until the Amildars and Deputy Amildars submit their reports regarding the same.

13 The Executive Engineer brought to the notice of the Board that the reserve grant of Rs. 3,378, sanctioned in the current year's District Fund Budget under "Repairs communications", had very nearly been appropriated for incomplete works of the last year and for the fresh works sanctioned during the current year since July last, and that a Supplemental Budget for Rs. 5,400 to meet the cost of some repair estimates, &c., may be passed by the Board.

Resolved that this amount be inserted in the Supplemental Budget to be submitted to Government for sanction.
